**FOR IMMEDIATE RELEASE – April 26, 2017**

### **CGL Manufacturing earns recognition as a John Deere “Partner-level Supplier” and Supplier of the Year**

Guelph, Ontario – CGL Manufacturing has earned recognition as a Partner-level supplier for **2017** and was also named **John Deere Construction and Forestry Supplier of the Year** in the John Deere Achieving Excellence Program. The Partner-level status is Deere & Company’s highest supplier rating. The Guelph based company was selected for the honor in recognition of its dedication to providing products and service of outstanding quality as well as its commitment to continuous improvement. Company employees accepted the recognition during formal ceremonies held on April 17, 2018 in Moline, Illinois.

**CGL Manufacturing** is a supplier of **machined castings and fabrications** to John Deere’s operation in **Davenport and Dubuque, Iowa**.

Suppliers who participate in the Achieving Excellence program are evaluated annually in several key performance categories, including quality, cost management, delivery, technical support and wavelength, which is a measure of responsiveness. John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement.

CGL Manufacturing is a supplier of machined and fabricated power train and structural components for OEM customers in the Material Handling, Mining, Construction, Forestry, Rail and Heavy Truck Industries. In business since 1977, the company operates one facility in Canada and eleven in China.
